Business opportunities through BRE Summit 2026

INDIA'S CLEAN ENERGY LEADERSHIP

Position your organisation at the centre of the global renewable energy conversation.

India combines market scale, policy momentum, manufacturing capability and international partnerships. The Summit brings this ecosystem together in New Delhi.

How the Summit can help

01	Access India's clean energy market	Meet policymakers, project developers, utilities and industry leaders. Identify partners for market entry, manufacturing, distribution and project delivery.
02	Build investment and project connections	Engage investors, financial institutions and developers across solar, storage, wind, hydrogen, bioenergy, DRE and small hydropower.
03	Showcase technology and generate leads	Use the Expo to present products and solutions, strengthen visibility and develop qualified business enquiries.
04	Gain policy and market insight	Understand India's priorities in green finance, grid integration, digitalisation, supply chains and skills.
MISSION ROLE	Mobilise business delegations, country or sector pavilions, B2B introductions	

Summit visibility on mission websites

[HOMEPAGE BANNER: LINKED TO THE OFFICIAL WEBSITE](#)

bresummit.in

Official homepage artwork

Recommended placement

Display the banner prominently on the mission homepage and link it directly to bresummit.in.

Supporting content

Add a Summit entry under “What’s New” or trade events, with a brief introduction, brochure downloads and participation links.

Flagship invitation

Features the Hon'ble Prime Minister and the three co-located global platforms. Use for senior-level outreach.

Digital information brochure

Detailed event overview

Use for government, industry, investor and institutional engagement.

Urja Chakra leaflet

India's clean energy vision

Use in diplomatic briefings and thematic conversations on India's renewable energy approach.

All Summit themes

Solar Energy & Global Solar Markets

Energy Storage & Grid Integration

Investment & Green Financing

Wind & Hybrid Energy Systems

Clean Energy Manufacturing & Supply Chains

Digitalisation & AI in Energy

Distributed Renewable Energy (DRE)

Green Hydrogen & Emerging Fuels

Bio Energy

Skill and Capacity Building & Role of Women in RE

Small Hydropower (SHP)

Mission use

Select themes that match local market priorities; retain the official wording.

Curtain Raiser films for mission outreach

Summit launch film

Bharat RE Summit & Expo 2026

The vision, scale and international proposition of India's flagship renewable energy platform.

[WATCH FILM](#)

Curtain Raiser film

Urja Chakra: The Reveal

The unveiling of Urja Chakra, representing India's clean energy vision and global leadership.

[WATCH FILM](#)

Curtain Raiser film

The Digital Way

An introduction to the Summit's digital portal and mobile app for planning, updates and engagement.

[WATCH FILM](#)

BRE Summit 2026 mobile app

Promote the app through mission websites, registration confirmations and delegate briefings.

Recommended mission actions

01

Add both store links

Place the iOS and Android badges beside event registration information.

02

Include in delegate emails

Encourage registered participants to download the app before travel.

03

Reshare at event opening

Use a concise post to drive real-time programme and networking use.

Before the Summit: invitations to participate

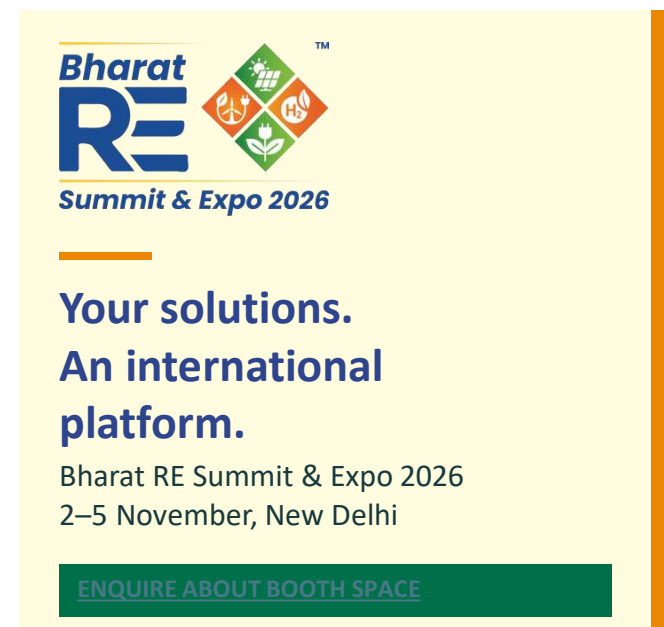

DELEGATE INVITATION

Official banner
Link to registration
Local-language caption

Suggested post

Join Bharat RE Summit & Expo 2026 in New Delhi, 2–5 November. Explore clean energy opportunities and connect with international partners. Register today.

EXHIBITOR INVITATION

Expo proposition
Booth enquiry link
Chamber circulation

Suggested post

Showcase your clean energy solutions at Bharat RE Summit & Expo 2026. Explore exhibition opportunities in New Delhi, 2–5 November. Enquire about booth space.

During the Summit: international engagement

**The clean energy
conversation is
happening now**

Bharat RE Summit & Expo 2026
2–5 November, New Delhi

[FOLLOW OFFICIAL SUMMIT UPDATES](#)

Suggested post

Bharat RE Summit & Expo 2026 is underway in New Delhi. Follow the discussions on renewable energy, innovation and international cooperation, and explore the technologies on display at the Expo.

[OFFICIAL SUMMIT UPDATES](#)

Mission-led coverage

Share delegation visits and business interactions with a verified caption. Pair event photographs with one clear insight from the day.

After the Summit: continued cooperation

Continuing the clean energy conversation

BHARAT RE SUMMIT & EXPO 2026

Suggested post

As Bharat RE Summit & Expo 2026 concludes, we thank participating organisations for contributing to the clean energy conversation. Explore the official highlights and continue discussions on opportunities for cooperation.

Follow-up through mission networks

Circulate the official outcome summary and recordings. Reconnect interested organisations with the Summit team and relevant partners.

Add only confirmed outcomes and partnerships.

Two distinct participation routes

01 REGISTER AS A DELEGATE

For policymakers, public agencies, investors, businesses, researchers and international organisations attending the Summit.

Mission action

Share the official registration portal and encourage early completion by priority stakeholders.

[OPEN DELEGATE REGISTRATION](#)

02 EXHIBIT / ENQUIRE ABOUT BOOTH SPACE

For renewable energy companies, technology providers, manufacturers, startups and country or sector pavilions.

Mission action

Direct prospects to the exhibitor page; request sector, indicative space and contact details for follow-up.

[OPEN EXHIBITOR ENQUIRY](#)

Connecting the World to India's Clean Energy Opportunity

Indian Missions abroad can help bring international participation to Bharat RE Summit & Expo 2026 by sharing official resources, engaging government and industry networks, and facilitating delegate registrations and exhibition enquiries.
